Good morning Ms. Archibald,

I am currently onboard the Noble Danny Adkins and have checked the logbooks that Captain Hagopian mentions. I can confirm that the statements he made below are accurately reflected in the onboard logbooks.

In addition I can confirm that the signature on page 7 does not appear to match Captain Hagopian or Captain Russ Wilson, who was the other master onboard the vessel in February of 2012.

Regards,

Dan Askins

Subject: From Captain Jeff Hagopian - Noble Drilling re Michael Primpas

Good afternoon Ms. Archibald,

I have carefully reviewed the attached documents in reference to the application for Mr. Michael Primpas and I have found several discrepancies:

1. In Section C - "Seagoing Familiarization Watch-keeping Log" on pages 3,4,5,6 and 7 the persons initials that have signed off on the various competences is not mine nor is it that of my relief. Furthermore, at the bottom of page 7 where the Master's signature is required the signature that was entered is not mine nor is it that of my relief. I do not know whose signature it is. I was, in fact, on board the vessel on February 28, 2012 but, as I previously stated, the Masters signature is not mine nor my reliefs. The vessels official deck logbook will verify that I was on board the rig as Master on February 28, 2012.

2. In Section F- "Suitability Of Officer To Undertake Full Watch-Keeping Responsibility On Board A D.P. Vessel" the Master's signature at the bottom of the page is not mine. It could not have been my signature as I was not aboard the rig on March 30, 2013. There is also no ship's stamp either. The vessels official deck logbook will verify that I was not on board the rig on March 30, 2013.

I hope this answers any questions you may have had, Ms. Archibald. Should you need any further information please feel free to contact me at jbhagop@yahoo.com or via mobile phone at 978-764-3908.

Sincerely & respectfully

Sincerely & respectfully,

Dear Capt Hagopian,

With reference to the attached scan of Mr Primpas' logbook, please could you confirm that all the dates are correct, that you witnessed the completion of Mr Primpas' Familiarisation and Watch-keeping experience, and that **the signature throughout the logbook belongs to you?**

We look forward to hearing from you soon.

Kind regards
